According to Pope John Paul II in *Familiaris Consortio*, the mission of the family is to Guard, Reveal and Communicate Love. In today's world, we need more families that can spread the love of God in this broken world. Your Holy Family Ministries is here to help. Explore the monthly program of Family Fun Day and Teen Shenanigans.

The Family Fun Day was created to assist families to nurture healthy relationships between parents and their children and between siblings. We do this by sharing a pot luck meal, listening to talks on topics related to family life, a family activity, family games and sports, concluding with prayer time for the whole family.

- Building the Parent/Teen Relationship

Teen Shenanigans is a companion event to the Family Fun Day that takes parents and teens on a journey to strengthen their relationship through playing and sharing their faith.

Teen Shenanigans is a very special, integral part, of the Family Fun Day experience. It is a unique opportunity for parents and their teens to come together the evening before the Family Fun Day to share some food, play some games and listen to a short talk targeted towards the teens on the topic of the Family Fun Day.

Family is the gift
God has given
us to work out our
sanctity and the only
thing we have the
possibility of taking
with us to Heaven.

To maintain a joy-
ful family requires
much from both the
parents and the chil-
dren. Each member
of the family has to
become, in a special
way, the servant of the
others.
