

FAMILY CREST ACTIVITY

- When you see or think of a Family Crest (also known as a coat of arms), you see images that depict and define the identity of that family. What do you stand for?
- We are going to take that idea and center it around God.
- You will be given a blank Family Crest and markers.
- With God in the center, and these 4 general concepts in the outer quadrants, draw images that illustrate your family in action. Show how God shines through you in your family actions.
 - Family prayer
 - Family play
